Founded (year) 1988

Founded in 1988 with a focus on investments in SMEs, in 2002 the S-UBG Group has expanded its investment activities to venture capital deals by establishing the S-VC GmbH and subsequently the Seed Funds Aachen I & II and the TechVision Funds. The latest fund generations are the TechVision Funds with ticket sizes ranging from 300 T€ to 6 M€ per startup. Common for all investment vehicles of the S-UBG Group is the regional approach to only invest in companies within the Rhineland area.
